NOTE :

(*) Metering of entire connections are proposed to be taken up under KUWSMP (up scaling of 24x7 project) by KUIDFC for which agency is already fixed.

(**) The per capita supply for 2020-21 is considered less because of improper distribution network in the city. This will be improved after commissioning of upscaling of 24x7 Project by KUIDFC.

Presently there is no Sewage Treatment Plant in Belagavi City. Construction of 70 MLD capacity STP at Halaga Village is under progress. Work is taken up under AMRUT scheme.

Water supply indicatorSl. No. 1 information is pertaining to KUWS & DB (in 48 Wards) and Sl. No. 2 information is pertaining to present 24X7 water supply Demo zones of Belagavi implemented in 10 wards of Belagavi.
